**Youth Music Wessex** is a not-for-profit organisation and as such depends on attracting support and attention from potential sponsors and supporters. As we seek new funding to be able to carry out further similar projects in the future, it is hugely helpful to be able to share footage and feedback from projects that we have already done, so as to give our supporters and potential new sponsors an idea of what we do, and to help encourage more young musicians to come and get involved. *(For information, we do not share photos of individual musicians, but rather group shots and of course videos of the performances too).* Please indicate your preference regarding YMWes' potential use of any photos/videos taken during the project, by completing the form below.

## Photo/Video Consent

Son/daughter's name

---

I agree to the above named child being photographed/videoed/audio taped as part of the activities of Youth Music Wessex (YMW).

I understand that the photographs may be used as part of a display on a portable information board during public performances/events to promote the YMW, or for use by our sponsors or tutors to publicise their support of/or work with the Youth Music Wessex, or for the YMW's own publicity purposes.

I also understand that the pictures may be shown on the YMW and Wessex Young Musicians Trust websites or social media pages.

I retain the right to request that any images of the above be destroyed and, if at any time I wish to withdraw my consent, I will put this in writing to the **YMWes Director**
